

# Learning Together

**Our Networks of Expertise** are all about sharing what works with each other and learning together. We are delighted to offer two different opportunities for this in 2022, both available in real time or online afterwards.

Register [here](#) now for the real time sessions!

Register [here](#) for an update on when the online sessions are available.

## Gifted NEX Cafe

Thursdays from 4-4:45pm on Zoom or online in Teachable in your own time!  
Each live zoom session comprises an introduction by the facilitator, a shared discussion and a follow up resource. The Teachable module features the zoom session and follow up resources.

### Term 2 schedule

12 May:	Advocacy in the Early Years
19 May:	Definition and Identification
26 May:	Programme Planning
2 June:	Cultural Responsiveness
9 June:	Social and Emotional Needs
16 June:	Exceptionalities
23 June:	Underachievement and Motivation
30 June:	Universal Design for Learning and Differentiation

## Gifted NEX Research Club

Thursdays from 4-4:45pm on Zoom or online in Teachable in your own time!  
Research Clubs are just like book club! You receive a reading prior, the researcher shares their work briefly then everyone has a chat together. They'll also be available on Teachable to access in your own time.

### Term Two schedule

26 May	Rural and Gifted
16 June	Gifted Girls

### Researchers

Dr Carrie Vander Zwaag
Dr Eunice Gaerlan-Price
